

**INTERNATIONAL HAYASHI-HA SHITO-RYU KARATE-DO FEDERATION**  
**ANNUAL INTERNATIONAL DAN TESTING**  
**January 4, 2020**

Hanshi Julius Thiry, President of International Hayashi-ha-Shito-ryu Karate Federation (IHSKF), held a seminar and promotion in Budapest, Hungary on January 4, 2020. Joined by the oversight panel, the rigorous promotion encapsulated a broad spectrum of drills and skills meant to demonstrate the competency of IHSKF's advanced informational system. Such promotions represent the technical oversight of instructors as serve to test and authorize recommended candidates. Each instructor is, therefore, responsible to the current IHSKF pedagogy, having demonstrated assurance of active participation and consistent performance levels that are commensurate with (requisite) years of diligent practice and appropriate behaviors. Given the vast informational legacy of our system, this is no small challenge.

Congratulations to those who passed the 2019-2020 promotions. Certifications distributed were awarded to those who successfully passed the previous year's tests as to include a probationary period meant to affirm that these candidates have remained in good standing.
